ABOUT ME

I am an experienced, RTS nominated Director of Photography with over 22 years' experience and an owner operator with cameras like the Arri AMIRA, Sony F55 FX9 and Alexa Mini.

My commitment to achieving the best possible look for a show means that I have worked on a wide range of television, promo and films which have won BAFTA and EMMY awards.

I am experienced in lighting and shooting for Travel, PSC, ENG, live and studio work. I have worked on a wide range of prime-time ITV, BBC, Sky and Channel 4 shows. I am trained and regularly use specialist equipment such as large sensor cameras, Steadicams, jib arms, sliders, time-lapse and mini-cams and live RF.
